The Jesse Ray Ford perpetual trophy is awarded to the high point competitor(s) in all four BCH sponsored paces for a calendar year. This year we have a particularly close race for this award. Tracy Ferguson is ahead of Sara Baker and Caitlin Ward by 2 points, and everyone is headed to Maceland Pace to see who gets their name on the trophy this year.

This trophy is named in honor of long-time BCH whip Jesse Ray Ford, who was larger than life, made everyone who crossed his path laugh, and is fondly remembered by all who knew him.
